ABOUT

I am a music enthusiast, perfectionist and graphic designer. I am versatile.

I am driven. I can generate intelligent and compelling design solutions. My passion for design knows no bounds.

EDUCATION

Kent State University

2009 - 2014

Bachelor's of Arts

Visual Communication Design

Minor

Fine Arts

EXPERIENCE/ EMPLOYMENT

Staples

Copy Center Associate

The winter of 2013 I became qualified to work in the Copy and Print Center. There I worked with many clients from one run prints to complicated small to medium business orders.

Good Fing Design Advice***

Intern

In the fall of 2013, I began my internship with GFDA. I learned, observed and practiced alongside the owners and my mentors.

St. Lawrence Steel

Designer

I began my employment at St. Lawrence Steel in September of 2014. I redesigned and reimagined their product catalog, visualized data and lead the process of designing their new website.

216digital

Designer

In January of 2015 I joined the team at 216digital. I have worked through many user interface and branding projects for their various e-commerce clients as well as the companies own rebranding.
